The main objective of the GJFC's member protection policy is to maintain responsible behaviour and the making of informed decisions by members and other participants in this club. It outlines our commitment to a person's right to be treated with respect and dignity, and to be safe and protected from discrimination, harassment, bullying, and abuse. Our policy informs everyone involved in our club of his or her legal and ethical rights and responsibilities and the standards of behaviour that are expected of them. It also covers the care and protection of children participating in our club's activities.

### **3. Who Our Policy Applies To**

This policy applies to everyone involved in the activities of our club whether they are in a paid or unpaid/voluntary capacity and including:

### **4. Extent of Our Policy**

Our policy covers all matters, directly and indirectly, related to the GJFC and its activities. In particular, the policy governs unfair selection decisions and actions, breaches of our code of behaviour and behaviour that occurs at training sessions, in the clubrooms, at social events organised or sanctioned by the club, and on away and overnight trips. It also covers private behaviour where that behaviour brings our club or sport into disrepute or there is suspicion of harm towards a child or young person. This policy also applies to all East Arnhem Futsal activities, including training sessions, games, carnivals, camps, representative events, travel, club meetings, fundraising activities, presentations, social events, online communication and any other activity sanctioned by the club.

### **5. Club Responsibilities**

We will:

- adopt, implement and comply with this policy;
- ensure that this policy is enforceable;
- publish, distribute and promote this policy and the consequences of any breaches of this policy;
- promote and model appropriate standards of behaviour at all times;

Serious issues include unlawful behaviour that involves or could lead to significant harm and includes criminal behaviour (e.g. physical assault, sexual assault, child abuse) and any other issues that our territory or national bodies request to be referred to them.

## **6. Individual Responsibilities**

Everyone associated with our club must:

- make themselves aware of the contents of this policy;
- comply with all relevant provisions of this policy, including the standards of behaviour outlined in this policy;

## **7. Protection of Children**

### **7.1 Child Protection**

The GJFC is committed to the safety and well-being of children and young people who participate in our clubs' activities or use our services. We support the rights of the child and will always act to ensure that a child-safe environment is maintained. We also support the rights and well-being of

our staff and volunteers and encourage their active participation in building and maintaining a secure and safe environment for all participants.

GJFC acknowledges the valuable contribution made by our members and volunteers and we encourage their active participation in providing a safe, fair and inclusive environment for all participants.

#### **7.1.1: Identifying and Analysing Risks of Harm**

The GJFC will develop and implement a risk management strategy, which includes a review of our existing child protection practices, to determine how child-safe our organisation is and to identify any additional steps we can take to minimise and prevent the risk of harm to children because of the action of a volunteer, member, or another person.

#### **7.1.2: Developing Codes of Conduct for Adults and Children**

We will develop and promote a code of conduct that specifies standards of conduct and the care we expect of adults when they deal with and interact with children, particularly those in our care. We will also implement a code of conduct to promote appropriate behaviour between children.

#### **7.1.3: Choosing Suitable Employees and Volunteers**

The GJFC will ensure that the organisation takes all reasonable steps to ensure that it engages the most suitable and appropriate people to work with children. This may be achieved using a range of screening measures. Such measures will aim to minimise the likelihood of engaging (or retaining) people who are unsuitable to work with children.

All committee members, coaches, assistant coaches, team officials, referees, volunteers and any other person engaged in child-related work must hold a valid NT Working with Children Clearance/Ochre Card where required by law and/or club policy. The club will maintain a register of Ochre Card details, including expiry dates, and will ensure clearances are current before a person commences child-related duties.

#### **7.1.4: Support, Train, Supervise and Enhance Performance**

The GJFC will ensure that all our employees and volunteers who work with children have ongoing supervision, support, and training. Our goal is to develop their skills and capacity and to enhance their performance so we can maintain a child-safe environment in our club.

#### **7.1.5: Empower and Promote the Participation of Children In Decision-Making And Service Development**

The GJFC will promote the involvement and participation of children and young people in developing and maintaining a child-safe environment in our club.

#### **7.1.6: Report and Respond Appropriately to Suspected Abuse and Neglect**

The GJFC will ensure that members and volunteers are able to identify and respond appropriately to children at risk of harm and that they are aware of their responsibilities under territory laws to make a report if they suspect on reasonable grounds that a child has been, or is being, abused or neglected.

In addition to any legal obligations, if any person believes that another person or organisation bound by this policy is acting inappropriately towards a child or is in breach of this policy, they may make an internal complaint.

Any person who believes a child is in immediate danger or in a life-threatening situation should contact the police immediately.

It is important to note that the responsibility of mandatory reporting is everyone's – "In the Northern Territory (NT), you must report your **concerns if you believe a child is being, or has been, harmed or abused**. This is a legal responsibility under the Care and Protection of Children Act 2007 and is called mandatory reporting. Your report should include any relevant information about your concerns for the child's safety and wellbeing." Cited from the website: [Report child abuse | NT.GOV.AU](http://NT.GOV.AU)

## **7.2 Supervision**

Children under the age of 18 must be supervised at all times by a responsible adult.

The Club policy is that supervision will be provided 10 minutes prior to the designated training or game time through to 10 minutes after the players designated training or game time. We endeavour to always provide an appropriate level of general supervision however parents/carers should ensure that players/children do not arrive at the venue more than 10 minutes prior or 10 minutes after the players designated training or game time. If a member finds a child under the age of 18 is unsupervised, they should assume responsibility for the child's safety until the child's parent/guardian or supervisor is located.

For reasons of courtesy and safety and to ensure appropriate supervision, parents/carers must drop off and collect their children on time. If it appears a member will be left alone with just one child at the end of any club activity, they will ask another member to stay until the child is collected.

## **7.3 Transportation**

Parents and or guardians are responsible for organising the transportation of their children to and from club activities. Where we make arrangements for the transportation of children (e.g. for away matches or overnight trips), we will conduct a risk assessment that includes ensuring vehicles are adequately insured, the driver has a current and appropriate licence for the vehicle being used and the appropriate safety measures are in place (e.g. fitted working seatbelts).

## **7.4 Taking Images of Children**

Images of children can be used inappropriately or illegally. We require that members, wherever possible, obtain permission from a child's parent or guardian before taking an image of a child that

is not their own. We will also make sure that the parent or guardian understands how the image will be used.

When using a photo of a child, we will not name or identify the child or publish personal information, such as a residential address, email address or telephone number, without the consent of the child's parent or guardian. We will not provide information about a child's hobbies, interests, school, or the like, as this can be used by paedophiles or other persons to "groom" a child.

We will only use images of children that are relevant to our club's activities, and we will ensure that they are suitably clothed in a manner that promotes our club. We will seek permission from a child's parent or guardian before using their images.

## **8. Discrimination, Harassment and Bullying**

Our club is committed to providing an environment in which people are treated fairly and equitably and that is, as far as practicable, free from all forms of discrimination, harassment, and bullying.

This policy applies to behaviour in person and online, including social media, messaging apps, email, team chats and any other digital communication connected to club activities.

We recognise that people may not be able to enjoy themselves or perform at their best if they are treated unfairly, discriminated against, harassed, or bullied.

### **8.1 Discrimination**

Unlawful discrimination involves the less favourable treatment of a person based on one or more of the personal characteristics protected by State or Federal anti-discrimination laws.

Discrimination includes both direct and indirect discrimination:

- **Direct discrimination** occurs if a person treats, or proposes to treat, a person with a protected personal characteristic unfavourably because of that personal characteristic.
- **Indirect discrimination** occurs if a person imposes, or proposes to impose, a requirement, condition or practice that will disadvantage a person with a protected personal characteristic and that requirement, condition or practise is not reasonable..

### **8.2 Harassment**

Harassment is any unwelcome conduct, verbal or physical, that intimidates, offends, or humiliates another person and which happens because a person has a certain personal characteristic protected by State or Federal anti-discrimination legislation.

The offensive behaviour does not have to take place several times, a single incident can constitute harassment.

Sexual harassment is one type of harassment. Sexual harassment involves unwelcome conduct, remarks, or innuendo of a sexual nature. It covers a wide range of behaviours and can be verbal, written, visual or physical. Sexual harassment is not limited to members of the opposite sex.

Every person is covered by the anti-discrimination laws that apply in their state or territory as well as the Federal anti-discrimination laws.

The following is a list of all the personal characteristics that apply throughout Australia:

- gender;
- race, colour, descent, national or ethnic origin, nationality, ethnoreligious origin, immigration;
- national extraction or social origin;
- marital status, relationship status, identity of spouse or domestic partner;
- pregnancy, potential pregnancy, breastfeeding;
- family or carer responsibilities, status as a parent or carer;
- age;
- religion, religious beliefs or activities;
- political beliefs or activities;
- lawful sexual activity;
- sexual orientation and gender identity;
- profession, trade, occupation or calling;
- irrelevant criminal record, spent convictions;
- irrelevant medical record;
- member of association or organisation of employees or employers, industrial activity, trade union activity;
- physical features;
- disability, mental or physical impairment;
- defence service; and
- personal association with someone who has, or is assumed to have, any of these personal characteristics.

The legislation also prohibits:

- racial, religious, homosexual, transgender and HIV/AIDS vilification; and
- victimisation resulting from a complaint.

### **8.3 Bullying**

The GJFC is committed to providing an environment that is free from bullying. We understand that bullying has the potential to result in significant negative consequences for an individual's health and wellbeing, and we regard bullying in all forms as unacceptable at our club.

Bullying is characterised by repeated, unreasonable behaviour directed at a person, or group of persons, that creates a risk to health and safety. Bullying behaviour is that which a reasonable person in the circumstances would expect to victimise, humiliate, undermine, threaten, degrade, offend, or intimidate a person. Bullying behaviour can include the actions of an individual or group.

Whilst generally characterised by repeated behaviours, one-off instances can amount to bullying.

The following types of behaviour, where repeated or occurring as part of a pattern of behaviour, would be considered bullying:

- verbal abuse including shouting, swearing, teasing, making belittling remarks or persistent unjustified criticism;
- excluding or isolating a group or person;
- spreading malicious rumours; or
- psychological harassment such as intimidation.

Bullying includes cyber-bullying which occurs using technology. New technologies and communication tools, such as smartphones and social networking websites, have greatly increased the potential for people to be bullied through unwanted and inappropriate comments. Our club will not tolerate abusive, discriminatory, intimidating, or offensive statements being made online.

If any person believes they are being, or have been, bullied by another person or organisation bound by this policy, he or she may make a complaint. (Refer to Item 10 of this policy.)

## **9. Inclusive practices**

Our club is welcoming, and we will seek to include members from all areas of our community.

The following are examples of some of our inclusive practices.

### **9.1 People with a disability**

The GJFC will not discriminate against any person because they have a disability. Where it is necessary, we will make reasonable adjustments (e.g. modifications to equipment and rules) to enable participation.

### **9.2 People from diverse cultures**

We will support, respect and encourage people from diverse cultures and religions to participate in our club and where possible we will accommodate requests for flexibility (e.g. modifications to uniforms). Our club takes all complaints about on and off-field behaviour seriously. Our club will handle complaints based on the principles of procedural fairness, and ensure:

- all complaints will be taken seriously;
- the person making the complaint (complainant)

- the person (and/or parent/carer) about which the complaint has been made about be given full details of what is being alleged against them (without details of the complainant) and have the opportunity to respond to those allegations for the purposes of natural justice;
- irrelevant matters will not be taken into account;
- decisions will be unbiased; and
- any penalties imposed will be reasonable.

If the complaint relates to suspected child abuse, sexual assault or other criminal activity, then our club may need to report the behaviour to the police and/or relevant government authority.

### **9.3 Sexual & Gender Identity**

All people, regardless of their sexuality or gender identity, are welcome at our club. We strive to provide a safe environment for participation and will not tolerate any form of discrimination or harassment because of a person's sexuality or gender identity.

## **10. Responding to Complaints**

### **10.1 Complaints**

Processes to support complaints resolution include:

- supporting the person complaining to talk to the person being complained about;
- bringing all the people involved in the complaint together to talk objectively through the problem (this could include external mediation);
- gathering more information (e.g. from other people that may have seen the behaviour);
- seeking advice from our district, regional, state and/or national body or from an external agency (e.g. State Department of Sport or anti-discrimination agency);
- referring the complainant to an external agency such as a community mediation centre, police or anti-discrimination agency.

In situations where a complaint is referred to our territory or national body and an investigation is conducted, the club will:

- co-operate fully with the investigation;
- where applicable, ensure the complainant is not placed in an unsupervised situation with the respondent(s); and
- act on our territory or national association's recommendations.

At any stage of the process, a person can seek advice from an anti-discrimination commission or other external agency and, if the matter is within their jurisdiction, may lodge a complaint with the anti-discrimination commission or other external agency.

### **10.2 Complaint Handling Process**

When a complaint is received by our club, the person receiving the complaint (e.g. President, Vice President) will:

- listen carefully and ask questions to understand the nature and extent of the concern;
- ask the complainant how they would like their concern to be resolved and if they need any support;
- explain the different options available to help resolve the complainant's concern;
- inform the relevant government authorities and/or police, if required by law to do so; and
- where possible and appropriate, maintain confidentiality but not necessarily anonymity.

### **10.3 Disciplinary Sanctions**

Our club may take disciplinary action against anyone found to have breached our policy or made false and malicious allegations. Any disciplinary measure imposed under our policy must:

- be applied consistent with any contractual and employment rules and requirements;
- be fair and reasonable;
- be based on the evidence and information presented and the seriousness of the breach; and
- be determined by our constituent documents, by Laws and the rules of the game.

Possible sanctions that may be taken include:

- a direction that the individual make verbal and/or written apology;
- counselling of the individual to address the behaviour;
- withdrawal of any awards, placings, records, or achievements bestowed in any tournaments, activities or events held or sanctioned by our club;
- suspension or termination of membership, participation or engagement in a role or activity;
- de-registration of accreditation for a period of time or permanently;
- a fine; or
- any other form of discipline that our club considers reasonable and appropriate.

### **10.4 Appeals**

The complainant or respondent may be entitled to lodge an appeal against a decision made in relation to a complaint (including a decision where disciplinary sanctions are imposed by our club) to our territory or national association. Appeals must be based on any right of appeal provided for in the relevant constituent documents, rules, and regulation by-laws.

**Travelling to other states or territories**

It is important to remember that when travelling to other states or territories, representatives of sporting organisations must comply with the legislative requirements of that state or territory.

In certain jurisdictions, temporary, time limited exemptions from working with children checks may be available for interstate visitors with a Working with Children Check in their home state.

The laws providing interstate exemptions are not consistent across Australia.

If an employee or volunteer for your club is travelling interstate to do work that would normally require a working with children check, you will need to check the relevant requirements of that state or territory.

## PROCEDURE FOR HANDLING ALLEGATIONS OF CHILD ABUSE

**If you believe a child is in immediate danger or a life-threatening situation, contact the Police immediately on 000.**

Fact sheets on reporting allegations of child abuse in different states and territories are available at [www.playbytherules.net.au](http://www.playbytherules.net.au)

We will treat any allegation of child abuse or neglect promptly, seriously and with a high degree of sensitivity.

All people working with the GJFC in any capacity have a duty to report any concerns to the appropriate authorities, following the steps outlined below.

### Step 1: Receive the allegation

If a child or young person raises with you an allegation of child abuse or neglect that relates to them or to another child, it is important that you listen, stay calm and be supportive.

Do	Don't
Make sure you are clear about what the child has told you	Do not challenge or undermine the child
Reassure the child that what has occurred is not his or her fault	Do not seek detailed information, ask leading questions or offer an opinion.
Explain that other people may need to be told in order to stop what is happening.	Do not discuss the details with any person other than those detailed in these procedures.
Promptly and accurately record the discussion in writing.	Do not contact the alleged offender.

### Step 2: Report the allegation

- Immediately report any allegation of child abuse or neglect, or any situation involving a child at risk of harm, to the police and/or the relevant child protection agency. You may need to make a report to both.
- Contact the relevant child protection agency or police for advice if there is **any** doubt about whether the allegation should be reported.
- If the allegation involves a person to whom this policy applies, then also report the allegation to the nominated territory or national sporting body so that the situation can be managed.

### **Step 3: Protect the child and manage the situation**

- The GJFC's committee member(s) will assess the immediate risks to the child and take interim steps to ensure the child's safety and the safety of any other children. This may include redeploying the alleged offender to a position where there is no unsupervised contact with children, supervising the alleged offender or removing/suspending him or her until any investigations have been concluded.
- The GJFC's committee member(s) will consider what services may be most appropriate to support the child and his or her parent/s.
- The GJFC's committee member(s) will consider what support services may be appropriate for the alleged offender.
- The GJFC's committee member(s) will seek to put in place measures to protect the child and the alleged offender from possible victimisation and gossip.

### **Step 4: Take internal action**

- At least three different investigations could be undertaken to examine allegations that are made against a person to whom this policy applies, including:
  - a criminal investigation (conducted by the police)
  - a child protection investigation (conducted by the relevant child protection agency)
  - a disciplinary or misconduct inquiry/investigation (conducted by relevant territory and national sporting organisation)
- The territory or national sporting organisation will assess the allegations and determine what action should be taken in the circumstances. Depending on the situation, action may include considering whether the alleged offender should return to his or her position, be dismissed, banned, or suspended or face other disciplinary action.
- If disciplinary action is undertaken, we will follow the procedures set out in our Member Protection Policy.
- Where required we will provide the relevant government agency with a report of any disciplinary action we take.
- **Contact details for advice or to report an allegation of child abuse**
